Flying Toys to Distribute Jamara Models in the UK!

New for 2009, Flying Toys Ltd are delighted to announce that they will be Distributing an exclusive collection of ready to fly Remote Controlled Models from Jamara.

Comprising a superb selection of coaxial 3 Channel indoor Infra Red Micro Helicopters, and more sophisticated larger Radio Controlled Choppers that may be flown outdoors too.

Choose an easy to fly 2 Channel Jamara F18 or SU27 Jet, Classic Cessna Monoplane, or brilliant Staggerwing Biplane that are absolutely ideal for beginners.

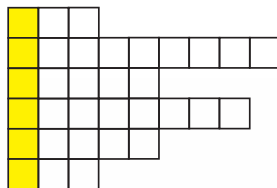

There's a sensational aerobic 3 Channel Pitts Special, and fantastic full 4 Function Bellanca Decathlon that features rudder, elevator, motor and aileron control.

Powered Sailplane enthusiasts will appreciate the outstanding ARA Electric Glider, and Brushless Motor powered scale ASW28 with a massive 2 Metre wingspan!...

See the full range of Jamara Models from Flying Toys in the 2009 New Product Preview.

JAMARA R/C COMPETITION!

One lucky Competitor will win a superb Simply 3 Channel Chopper and brilliant Pitts Special Biplane. Worth £229.98 for both models!...
